

Bespoke & Corporate Tastings

As a WSET Diploma qualified wine specialist, I set up Wine Experience in 2024. After 16 years working in the wine industry for Moët Hennessy, Sotheby's Wine Department and Denbies Wine Estate, I decided it was time to focus on my favourite element of wine- education and entertainment!

So if you're looking for a fun, friendly and tastebud-tingling evening of wine enjoyment with family, friends, colleagues or clients, then a bespoke tasting with Wine Experience is just the thing! The tasting can take place at Wine Experience HQ in Dorking or at your own home or venue within the surrounding area.

With wine games and quizzes, blind tastings and a flexible format, Wine Experience provides a relaxed, yet informative evening that is perfect for birthday parties, anniversaries, hen parties, work gatherings and client entertainment, or just a get-together with friends.

Glasses, tasting mats, expert tasting notes and spittoons (if needed!) will be provided, so all you need is an area that can seat your guests comfortably, with space for glasses and any food you may wish to provide.

Tastings can be tailored to your preferences, so please contact [**emwineexperience@gmail.com**](mailto:emwineexperience@gmail.com) for a quote and feel free to browse the ideas below for inspiration!
